Case Management (KIM)

Integration support

Your case managers nearby

Municipal integration management (KIM, „Kommunales Integrationsmanagement“) Case management

The case managers support and advise individually and confidentially on questions of integration.

These case managers will be your personal contact and can refer you to a network of helpers.

Participating in this offer for case management is voluntary. It requires your approval and is free of charge.

Your benefits

- Individual support and advice
- One contact person for different problems
- Personal contact person nearby
- Training your own skills
- Mediation between the various authorities
- Tailor-made offers (e.g. language course)
- Breaking down problems
- Improving your opportunities for integration
